S. 1163

To amend the Workforce Investment Act of 1998 to provide for strategic sectoral skills gap assessments, strategic skills gap action plans, and strategic training capacity enhancement seed grants, and for other purposes.

IN THE SENATE OF THE UNITED STATES

JUNE 6, 2005

Ms. CANTWELL introduced the following bill; which was read twice and referred to the Committee on Health, Education, Labor, and Pensions

A BILL

To amend the Workforce Investment Act of 1998 to provide for strategic sectoral skills gap assessments, strategic skills gap action plans, and strategic training capacity enhancement seed grants, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Sectoral Market As-
5 sessment for Regional Training Enhancement and Revital-
6 ization Act”.

7 **SEC. 2. FINDINGS.**

8 Congress makes the following findings:

1 (1) More than $\frac{1}{3}$ of the Nation's current work-
2 force lacks the basic skills necessary to succeed in
3 today's labor market.

4 (2) Globalization of the economy is leading to
5 losses of jobs in key domestic industries, as well as
6 challenges to competitiveness and productivity in
7 other domestic industries.

8 (3) To remain economically vital and competi-
9 tive, the Nation must invest in generating jobs and
10 train a workforce skilled enough to contribute pro-
11 ductively to the United States economy.

12 (4) Strategic planning that links workforce de-
13 velopment and economic development, and the tar-
14 geting of resources to industries that can build
15 strong regional economies and create jobs with living
16 wages for workers, need to be priorities for the
17 workforce investment system.

18 (5) States and local workforce investment
19 boards can play lead roles in guiding a more stra-
20 tegic process for achieving economic growth through
21 workforce development.

22 **SEC. 3. SKILLS GAP CAPACITY ENHANCEMENT GRANTS.**

23 Subtitle B of title I of the Workforce Investment Act
24 of 1998 (29 U.S.C. 2811 et seq.) is amended—

1 (1) by redesignating section 137 as section 138;
